

Committee Initiatives

1

Public Awareness Committee

The purpose of the Public Awareness subcommittee is to support the work of the Rhode Island Coalition for Elder Justice. Our goal is to bring awareness and education about elder rights, issues and justice by means of advertisement, campaigns, education/webinars, and community engagement.

Objectives: Public awareness campaigns, educational webinar series, and community engagement.

2

Nominating Committee

The purpose of the Nominating subcommittee is to contribute to the success and sustainability of the RI Coalition for Elder Justice by overseeing the nomination and election process that identifies and endorses potential members who are passionate about elder justice and committed to our cause.

Objectives: Recruitment, nomination oversight, and policy development.

3

Protocol Committee

Lead the implementation of protocols that aim to promote awareness and foster collaboration among professionals and social service agencies to ensure that elder abuse is promptly identified, reported, and addressed.

Objectives: Develop standardized protocols, training & education, and strategic planning.

4

Guardianship Committee

The Guardianship committee mission is to work on the advancement of comprehensive guardianship reform, with the objective of making the process more ward-centric, to prevent guardianship abuse and respect autonomy.

Objectives: Update RI Guardianship laws, cultivate relationships within the law system, increase community service providers knowledge of guardianship process, and strengthen system oversights.

5

Home Care Committee

The Home Care Committee's mission is to educate Rhode Islanders on the importance of providing safe, affordable, and adequate home care for elders.

Objectives: Advocating for CNA retention, recruitment, and compensation.
